INDEX TO VOLUME XXXVIII

AND SEPTEMBER, 1936, ISSUE

NOTE: Due to the change in THE MERCURY's format in October, the following index to Vol. XXXVIII has been enlarged to include the September issue, and should be inserted following the last page of that issue. The articles from September are represented by italic type. The next index to appear in THE MERCURY—in December—will include only the three previous issues of the new format, namely, October, November, and December.—THE EDITOR.
